The above information is all required. Photographs where possible must be included with your application.

Please note that if requested by DVLA, a visual inspection may be necessary to confirm the authenticity of the application. Inevitably a charge will be required for this service.

We, the BMB President Tractor Club, suggest that this is done as a matter of course, relevant to distances travelled.

I authorise the BMB President Tractor Club, to contact DVLA on my behalf to obtain an age related registration number relevant to my machine as details shown above.
